

Mentoring Fee Structure

At Realise Training Group, mentoring is about more than ticking boxes — it's about developing real confidence, capability, and professionalism as a mortgage broker. *Here's how our mentoring fees work.*

Mentoring for New-to-Industry Brokers

- Our mentoring program is designed for brokers who are new to the industry and want structured, practical support as they build experience and meet industry expectations.
- Mentoring follows recognized industry standards and focuses on real-world lending, compliance, and professional development.

How Much Does Mentoring Cost?

Mentoring Fee **\$499** per month

This fee covers ongoing mentoring support for the duration of your agreed mentoring period.

How Long Is the Mentoring Programme?

- Mentoring runs as a 24-month structured programme.
- The mentoring structure, expectations, and support provided are explained clearly at enrolment, so you know exactly what's involved from the start.

One Solution Package (Training + Mentoring)

Mentoring is also included in our One Solution Package, which combines:

- Certificate IV in Finance and Mortgage Broking
- Diploma of Finance and Mortgage Broking Management
- 24 months of mentoring

What Does the Package Cost?

\$1,295 upfront

\$499 per month for 24 months

This option is designed for people who want a clear, supported pathway from qualification through to confident practice.

A Few Things to Know

- Fees are paid monthly and are subject to our Cancellation and Refund Policy.
- Mentoring places are limited to ensure quality support.
- Prices are correct at the time of publication and may be reviewed over time.
